LB GRIP Advisory Council Subcommittees 2009

Media and Community Education

Goals:
- Continue work on the launch of a Public Educational Awareness Campaign Endeavor (PEACE) to de-glorify and de-glamorize youth and gang violence. This includes working with community based organizations, educational entities, city departments and local television stations and media outlets to create a campaign intended for child, youth and adult audiences. This may include the creation of billboards, television and or newspaper ads and/or brochures.
- Participate in Community Events
- Collaborate with community partners to help develop a shared vision for youth in Long Beach and promote the adoption of a common message

Family Violence Prevention and Intervention

Goals:
- Coordinate and/or participate in community events such as Police/Youth Dialogues, LBCC's Youth Against Violence Conference, and Community Forums.
- Help schedule and promote violence prevention and parenting trainings for youth, youth-care providers and parents/caregivers.
- Enhance and expand existing prevention services for youth and families.
- Provide educational, career preparation, social and economic/life skills activities.
- Refer and provide services for substance abuse treatment/aftercare.

Research and Resource Development

Goals:
- Explore fund development and assist with Grant writing
- Project Evaluation per CAL GRIP grant
- Research and provide information about violence prevention models and best practices, including CAL GRIP recipients from other cities and Weed and Seed recipients across the country.

Workforce Development and Reentry

Goals:
- Promote Expungement Education
- Support, promote and participate in job fairs and job placement agencies
- Partner with LBCC Women and Men's Resource Center on reentry efforts
- Coordinate and expand prisoner re-entry services
- Create a plan to coordinate referrals for education, career preparation and social and economic/life skills activities
